

## Tony Berg for JewishCare

*Members of my family have had an involvement with JewishCare since its early days.*

*It has now been a vital service to the Jewish community for many decades. I increasingly realise the fine line between being fortunate and being the one in ten who depend on help from JewishCare.*

*The bad luck of accidents, illness (mental or otherwise) or losing one's job can happen to anyone. Sometimes the consequences are disastrous and impossible to cope with on one's own.*

*I think it is the responsibility of those of us who are fortunate, to help those who are not able to look after themselves. With our help, JewishCare can do that.*

*Mr. Tony Berg AM*

*Director, Gresham*

*Tony Berg is a Director of Gresham and Chairman of Gresham Property. He is also Chair of the UNSW Faculty of Business Advisory Council and director of Indigenous Enterprise Partnerships. He is a Member of the Order of Australia, and was awarded the Richard Pratt Business Leadership Award by the Australia Business Arts Foundation.*
